

HOLISHIP - Year 2 Public Workshop

Aim and Participants of the Workshop:

The aim of the workshop is to update the HOLISHIP consortium, the maritime industry and academic community about the progress of work 24 months after the start of the HOLISHIP project (www.holiship.eu/). The workshop will be focusing on presentations of project demonstrators developed or being under development in the frame of the HOLISHIP platforms CAESSES (WP7) and HOLISPEC/RCE (WP8). Attendants of the workshop are representatives of the HOLISHIP consortium, the maritime industry and academic community. For external participants prior registration is necessary via https://www.surveymonkey.de/r/HOLISHIP_Public_Workshop_Trieste until 20/09/2018.

Venue:

Sala «Piccola Fenice», Via S. Francesco d'Assisi 5, TRIESTE - Italy

Date:

27/09/2018

Final Agenda:

08:30-09:00	Registration and Coffee	30min
09:00-09:20	Welcome by local organisers Paolo Guglia, FC / Carlo Cau, CET Alberto Marinò, Mare - FVG (Regional Technology Cluster): FVG Regional ecosystem of maritime technologies Moderator: Apostolos Papanikolaou, HSVA	10min 10min
09:20-09:45	Overview of Project Developments Jochen Marzi, HSVA: HOLISHIP project: 24M progress of work	25min
09:45-10:00	Apostolos Papanikolaou, HSVA: Introduction to the HOLSHIP software platforms	15min
10:00-10:45	Design Methodology and Tool Integration / Platforms Stefan Harries, FSS: CAESSES - The HOLISHIP Platform for Process Integration and Design Optimization	45min
10:45-11:00	Coffee and Networking	15min
11:00-11:45	Maarten Flikkema, MARIN: HOLISPEC/RCE - The HOLISHIP Platform for distributed working and virtual demonstration	45min
11:45-13:00	Focus on Applications and Demonstrations Alan Guegan, SIREHNA: Modelling system connectivity and fault propagation Sverre Torben / Martijn de Jongh, RR: Machinery and Power system in Holistic design process - AC OSV Christoph Steinbach, DMC: Various fidelity level rudder force models for the merchant application case Discussion	20min 20min 20min 15min
13:00-14:00	End of Workshop / Lunch and Networking	60min

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 689074
